

CADVISION SYSTEMS TRAINING SCHEDULE 2016

Month	SOLIDWORKS Course Name	Date	Duration
January	Surface Modeling	4-5 January 2016	2 days
	Assembly Modeling	6-7 January 2016	2 days
	SOLIDWORKS Simulation Workshop	8 January 2016	Half day
	SOLIDWORKS Essentials Training	11-14 January 2016	4 days
	# SOLIDWORKS 3D Mechanical Design Workshop	15 January 2016	Half day
	Advanced Part Modeling	18-19 January 2016	2 days
	Sheet Metal	20-21 January 2016	2 days
	# SOLIDWORKS What's New 2016	22 January 2016	Half day
	SOLIDWORKS Simulation	26-28 January 2016	3 days
	# SOLIDWORKS 3D Express Modeling	29 January 2016	1 day
February	SOLIDWORKS Motion	2-3 February 2016	2 days
	SOLIDWORKS Essentials Training	15-18 February 2016	4 days
	SOLIDWORKS 3D Mechanical Design Workshop	19 February 2016	Half day
	Surface Modeling	22-23 February 2016	2 days
	Mold Design Using SOLIDWORKS	24-25 February 2016	2 days
	# CSWP	26 February 2016	1 day
	Advanced Part Modeling	29 Feb - 1 March 2016	2 days
March	Assembly Modeling	2-3 March 2016	2 days
	# Boost Productivity With Automated Drafting Standard	4 March 2016	Half day
	# 3D Productivity Briefcase Utilities For Everyone	4 March 2016	Half day
	SOLIDWORKS Essentials Training	7-10 March 2016	4 days
	SOLIDWORKS 3D Mechanical Design Workshop	11 March 2016	Half day
	SOLIDWORKS Simulation	14-16 March 2016	3 days
	Weldment	17 March 2016	1 day
	# CSWP	18 March 2016	1 day
	Sheet Metal	21-22 March 2016	2 days
	SOLIDWORKS Flow Simulation	24-25 March 2016	2 days
	Advanced Assembly Modeling	28-29 March 2016	2 days
	SOLIDWORKS Motion	30-31 March 2016	2 days
April	SOLIDWORKS Essentials Training	4-7 April 2016	4 days
	SOLIDWORKS 3D Mechanical Design Workshop	8 April 2016	Half day
	Mold Design Using SOLIDWORKS	11-12 April 2016	2 days
	SOLIDWORKS Simulation Workshop	15 April 2016	Half day
	Advanced Part Modeling	18-19 April 2016	2 days
	Assembly Modeling	20-21 April 2016	2 days
	SOLIDWORKS Essentials Training	25-28 April 2016	4 days
	# Efficient (Right) File Searching and Working with EPDM	29 April 2016	Half Day
	# EPDM for Intellectual Property Protection and Design Changes	29 April 2016	Half Day
May	# SolidWorks 3D Express Modeling	6 May 2016	1 day
	Surface Modeling	9-10 May 2016	2 days
	Sheet Metal	11-12 May 2016	2 days
	SOLIDWORKS 3D Mechanical Design Workshop	13 May 2016	Half day
	SOLIDWORKS Essentials Training	16-19 May 2016	4 days
	# My 3D Skill Development With Advance Techniques Demystified	20 May 2016	1 day

For more enquiries, please contact 04-505 7743 or email to info@cad-vision.com

	Weldment	23 May 2016	1 day
	SOLIDWORKS Motion	24-25 May 2016	2 days
	# CSWP	26 May 2016	1 day
	SOLIDWORKS Simulation Workshop	27 May 2016	Half day
	Advanced Part Modeling	30-31 May 2016	2 days
June	SOLIDWORKS Flow Simulation	1-2 June 2016	2 days
	# SOLIDWORKS 3D Express Modeling	3 June 2016	1 day
	SOLIDWORKS Simulation	7-9 June 2016	3 days
	# 3D Productivity Briefcase Utilities For Everyone	10 June 2016	Half day
	SOLIDWORKS Essentials Training	13-16 June 2016	4 days
	SOLIDWORKS 3D Mechanical Design Workshop	17 June 2016	Half day
	Assembly Modeling	20-21 June 2016	2 days
	Surface Modeling	22-23 June 2016	2 days
	SOLIDWORKS Simulation Workshop	24 June 2016	Half day
	Mold Design Using SOLIDWORKS	27-28 June 2016	2 days
July	# SOLIDWORKS 3D Express Modeling	1 July 2016	1 day
	Weldment	4 July 2016	1 day
	SOLIDWORKS Essentials Training	11-14 July 2016	4 days
	SOLIDWORKS 3D Mechanical Design Workshop	15 July 2016	Half day
	Advanced Part Modeling	18-19 July 2016	2 days
	Sheet Metal	20-21 July 2016	2 days
	SOLIDWORKS Simulation	25-27 July 2016	3 days
	SOLIDWORKS Motion	28-29 July 2016	2 days
August	SOLIDWORKS Essentials Training	1-4 August 2016	4 days
	SOLIDWORKS 3D Mechanical Design Workshop	5 August 2016	Half day
	Surface Modeling	8-9 August 2016	2 days
	Assembly Modeling	10-11 August 2016	2 days
	# CSWP	12 August 2016	1 day
	Mold Design Using SOLIDWORKS	15-16 August 2016	2 days
	SOLIDWORKS Simulation Workshop	19 August 2016	Half day
	SOLIDWORKS Essentials Training	22-25 August 2016	4 days
	# SOLIDWORKS 3D Express Modeling	26 August 2016	1 day
Advanced Part Modeling	29-30 August 2016	2 days	
September	# CSWP	1 September 2016	1 day
	SOLIDWORKS Essentials Training	5-8 September 2016	4 days
	Surface Modeling	19-20 September 2016	2 days
	Assembly Modeling	21-22 September 2016	2 days
	# Efficient (Right) File Searching and Working with EPDM	23 September 2016	Half Day
	# EPDM for Intellectual Property Protection and Design Changes	23 September 2016	Half Day
	Sheet Metal	26-27 September 2016	2 days
	Weldment	28 September 2016	1 day
	SOLIDWORKS Flow Simulation	29-30 September 2016	2 days
October	SOLIDWORKS Essentials Training	17-20 October 2016	4 days
	# My 3D Skill Development With Advance Techniques Demystified	21 October 2016	1 day
	Advanced Part Modeling	24-25 October 2016	2 days
	Mold Design Using SOLIDWORKS	26-27 October 2016	2 days
	# SOLIDWORKS Simulation- FEA Fundamental	28 October 2016	Half Day

November	Sheet Metal	31 Oct- 1 Nov 2016	2 days
	SOLIDWORKS Motion	2-3 November 2016	2 days
	# CSWP	4 November 2016	1 day
	Weldment	8 November 2016	1 day
	# SOLIDWORKS 3D Express Modeling	11 November 2016	1 day
	SOLIDWORKS Essentials Training	14-17 November 2016	4 days
	SOLIDWORKS 3D Mechanical Design Workshop	18 November 2016	Half day
	SOLIDWORKS Simulation Workshop	18 November 2016	Half day
	Surface Modeling	21-22 November 2016	2 days
	Assembly Modeling	23-24 November 2016	2 days
	# Efficient (Right) File Searching and Working with EPDM	25 November 2016	Half Day
	# EPDM for Intellectual Property Protection and Design Changes	25 November 2016	Half Day
	SOLIDWORKS Simulation	28-30 November 2016	3 days
	December	# SOLIDWORKS 3D Express Modeling	2 December 2016
SOLIDWORKS Essentials Training		5-8 December 2016	4 days
SOLIDWORKS 3D Mechanical Design Workshop		9 December 2016	Half day
Advanced Part Modeling		14-15 December 2016	2 days
SOLIDWORKS Simulation Workshop		16 December 2016	Half day
Mold Design Using SOLIDWORKS		19-20 December 2016	2 days
SOLIDWORKS Flow Simulation		21-22 December 2016	2 days
# SOLIDWORKS Simulation- FEA Fundamental		23 December 2016	Half Day
# Structure And Thermal Management Know-How For Electronics Industry		23 December 2016	Half Day
Assembly Modeling	27-28 December 2016	2 days	

Remark : # - **Subscription Privilege Training Program-Free for active Subscribers only**

VI. TRAINING SCHEDULE FOR SOLIDCAM

Month	SolidCAM Course Name	Date	Duration
February	2.5 D Milling	25-26 February 2016	2 days
April	2.5 D Milling # Understand Machining, Ensure Product Manufacturability	13-14 April 2016 22 April 2016	2 days Half Day
May	2.5 D Milling	2-3 May 2016	2 days
June	# Reduce Machining Cycle Time in ½ With Existing Tooling At First Attempt 2.5 D Milling	10 June 2016 29-30 June	Half Day 2 days
July	# Understand Machining, Ensure Product Manufacturability # Reduce Machining Cycle Time in ½ With Existing Tooling At First Attempt	22 July 2016 22 July 2016	Half Day Half Day
August	2.5 D Milling	17-18 August 2016	2 days
September	# Understand Machining, Ensure Product Manufacturability	2 September 2016	Half Day
November	2.5 D Milling	9-10 November 2016	2 days
December	2.5 D Milling	29-30 December 2016	2 days
